

# 2024 Annual Report

Gregory Scott Henson

## About Us

Founded in 2018, Cloud Veterans is a 100% volunteer-led nonprofit dedicated to helping U.S. veterans transition into cloud computing careers.

With no paid employees or contractors, our lean team maximizes every dollar to deliver direct impact.

## Mission Statement

Our mission is to bridge the gap between military service and civilian employment, ensuring veterans are valued, supported, and empowered to lead in the ever-evolving world of cloud technology.

Veterans Served**

**100% costs  
were covered**

training, exams, resume help,  
and job placement costs

## 5-Year Economic Impact

Since launch, Cloud Veterans has trained, certified, and job-placed 161 veterans into cloud computing careers. Based on an average \$30,000 annual increase in earnings, this translates to an estimated \$24.15 million in increased veteran income over five years — a powerful return on mission-driven investment that transforms lives, careers, and communities.

### Assumptions

- Average starting salary in cloud computing: \$70,000/year
- Prior average veteran income: \$40,000/year
- Annual wage gain: \$30,000/year
- Retention in tech industry: 5 years

### Estimated 5-Year Economic Impact

**\$25.65 MILLION IN ADDITIONAL EARNED INCOME.**

Formula: 171 veterans × \$30,000/year × 5 years = \$25,650,000
